A complete calendar and schedule of events will be available on Eagle Online. Please check there for the most up-to-date information!

Quizzes:

All quizzes will be given using Eagle Online, HCC's learning management system. The quizzes are due by the date listed on the course schedule, but they may be completed early if students wish. If you have any questions about how to access the quizzes, please ask!

Discussions:

All discussions will consist of written posts to a course forum on Eagle Online, HCC's learning management system. Discussions will follow this format:

1. Students make an original post on the current philosopher and his work (there will be a question prompt for you to answer)
2. Students respond to at least two other students by questioning, explaining, analyzing, evaluating, or expanding upon their postings
3. Students receive half-credit for the assignment by making the original post and half-credit for their two responses to other students

If you have any questions about how to access the course forum, please ask!

Term Paper:

Additional information on the term paper will be made available after students complete a paper preparation exercise. The paper preparation exercise will allow students to practice evaluating the quality of writing and argument that will be required for their own term papers to be successful. There will also be a term paper peer review session where students will read each other's papers and provide each other with constructive criticism on how to improve.

Please note that all papers will be run through Turnitin.com's plagiarism detector.

Grading Policy:

Your grade is based on a weighted average of assignments. The weight and type of each assignment is as follows:

Discussions = 20%
Quizzes = 25%
Term Paper = 25%
Final Exam = 30%

A = 90% to 100%	4 points per semester hour
B = 80% to 89.9%	3 points per semester hour
C = 70% to 79.9%	2 points per semester hour
D = 60% to 69.9%	1 point per semester hour
F = 0% to 59.9%	0 points per semester hour
FX (Failure due to non-attendance)	0 points per semester hour
IP (In Progress)	0 points per semester hour
W (Withdrawn)	0 points per semester hour
I (Incomplete)	0 points per semester hour
AUD (Audit)	0 points per semester hour

IP (In Progress) is given only in certain developmental courses. The student must re-enroll to receive credit. COM (Completed) is given in non-credit and continuing education courses. FINAL GRADE OF FX: Students who stop attending class and do not withdraw themselves prior to the withdrawal deadline may either be dropped by their professor for excessive absences or be assigned the final grade of "FX" at the end of the semester. Students who stop attending classes will receive a grade of "FX", compared to an earned grade of "F" which is due to poor performance. Logging into a DE course without active participation is seen as non-attending. Please note that HCC will not disperse financial aid funding for students who have never attended class.

Students who receive financial aid but fail to attend class will be reported to the Department of Education and may have to pay back their aid. A grade of "FX" is treated exactly the same as a grade of "F" in terms of GPA, probation, suspension, and satisfactory academic progress.
To compute grade point average (GPA), divide the total grade points by the total number of semester hours attempted. The grades "IP," "COM" and "I" do not affect GPA.

Late Policy:

Late work will be accepted on a case-by-case basis. If you know you will be late on an assignment, it is always better to let your instructor know in advance so that arrangements can be made for making up late assignments. Late work will not be accepted after the last day of class, no exceptions!

Academic Dishonesty:

Academic dishonesty will not be tolerated. A student who is academically dishonest is claiming an advantage not available to other students. The instructor is responsible for measuring each student's individual achievements and also for ensuring that all students compete on a level playing field. Thus, in our system, the instructor has teaching, grading, and enforcing roles. You are expected to be familiar with HCC's policy on Academic Dishonesty located here.

Pleading ignorance of the rules, including improper documentation (MLA, APA, etc.) is no justification for academic dishonesty.

Students who plagiarize, collude, or cheat will not have an opportunity to resubmit their work and they will receive a grade of 0 for the first assignment, an F in the course for a second assignment, and a report in our Maxient system which could lead to dismissal from the college.

Make-Up Policy:

Make-ups are available only with a documented excuse of a serious nature. No late assignments are allowed after the final day of class, no exceptions. See the course schedule for final exam date.

Attendance and Withdrawal Policy:

HCC Students are expected to attend class regularly. A daily record of absences will be maintained throughout the semester. NOTE: It is the responsibility of the student to drop, or officially withdraw from this course. Your instructor will withdraw a student if and only if provided a written request from that student. Additionally, system-wide rules affect withdrawals:

(1) Students who repeat a course for a third, or more times, may face a significant tuition/fee increase at HCC and other Texas public colleges and universities.

(2) The Texas Legislature passed a law limiting new students (those starting college in Fall 2007) to no more than six total course withdrawals throughout their academic career in obtaining a baccalaureate degree. There may be future penalties imposed.

(3) No student may withdraw from a course following the set "last date to withdraw." After that date and time, a student can only be given a grade earned, or an "I" for incomplete. Incompletes must be made up by the end of the following long semester, after which they will automatically change to a grade of "F". Students receiving an "I" for a course are ineligible for graduation until the "I' has been removed from a student's transcript.

Students with Disabilities:

HCC strives to make all learning experiences as accessible as possible. If you anticipate or experience academic barriers based on your disability (including mental health, chronic or temporary medical conditions), please meet with a campus Abilities Counselor as soon as possible in order to establish reasonable accommodations. Reasonable accommodations are established through an interactive process between you, your instructor(s) and Ability Services. It is the policy and practice of HCC to create inclusive and accessible learning environments consistent with federal and state law. For more information, please go to this link. You will find information about the types of assistance offered to students with special instructional needs on that web page. You will also find contact information for your college's ADA compliance and accessibility office.

For questions, please contact Donna Price at (713) 718-5165 or the ADA counselor at your college campus. You can find a list of counselors here.

EGLS3 – Evaluation for Greater Learning Student Survey System:

At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time near the end of the term, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and department chairs for continual improvement of instruction. Look for the survey as part of the Houston Community College Student System online near the end of the term.

Here is the link to the MyEagle login page where you can access the EGLS3 survey when the time comes.
